

<i>Session Title</i>	<b>Mindanao Cluster Satellite Session: Ensuring Good Governance and Accountability in the New Normal</b>
<i>Date and Time</i>	August 6, 2021 / 8:00AM - 12:00NN
<i>Session Manager/s</i>	<b>RICARDO N. VARELA</b> ARD for Field Operations Services, DOST-CARAGA
<i>Session Description/Objectives Expected Outputs/Outcomes</i>	<p>The Philippine National Health Research System (PNHRS) in cooperation with the Philippine Council for Health Research and Development (PCHRD), will be conducting its 14<sup>th</sup> PNHRS Week Celebration this coming first week of August 2021 with the main theme, "Health R&amp;D in the New Normal: Moving towards Universal Health Care". Prior to the main celebration, are the satellite sessions intended for different clusters hosted by the regional consortia in the country. For the Mindanao cluster, the satellite session is anchored in the sub-theme, "Ensuring Good Governance and Accountability in the New Normal". Plenary topics will be discussed in line with the sub theme. For Caraga region, Prof. Rey Y. Capangpangan of Caraga State University will be introducing his project on the nanocellulose filter technology for a sustainable and increased efficacy of cloth facemask usage. For Region XI, Davao City Councilor Joselle Villafuerte will share the actions made by Davao City on their coordinated response with other LGUs against COVID-19 pandemic. Dr. Franco G. Teves of Region X will also share their positive pandemic outcomes in developing disaster resilient technologies. Provincial Governor of South Cotabato, Reynaldo S. Tamayo Jr. will also share their innovative contact tracing system for COVID-19. Dr. Michael Macion of BARMM will discuss the response of Datu Blah District Hospital on COVID-19 accountability and good governance. Finally, Dir. Noemi B. Edaga of Philippine Information Agency Region IX will also share their efficient communication practices for good governance in the new normal. The aim of the satellite session is to provide an avenue for sharing of innovative ideas and practices that can be replicated on other areas to help combat pandemic related issues and concerns for the country.</p>
<i>Moderator/Emcee</i>	<b>KRIS KIMBERLY A. BALIÑA</b> Science Research Specialist I, DOST Caraga
